## **Deceleration on Rights and Responsibilities**

Article 2 Each State has a *prime responsibility and duty to protect, promote and implement* all human rights and fundamental freedoms,... as well as the legal guarantees required to ensure that all persons under its jurisdiction, individually and in association with others, are able to enjoy all those rights and freedoms in practice.

**In conclusion:** As I am still being ignored completely, another tacit agreement have been made. Again I declare my lawful excuse for deferring my rent as it's a crime to support a criminal organization *in any way*, I'm in peaceful lawful rebellion against Jamas unlawful and unjust acts.

You know where my lawful claims are publicly displayed. This is an ongoing issue you refuse to address this (3+ years). As of January 1, 2025 all rent will be put aside until convictions, justice and remedy for the harm and lost income targeted against me has been upheld.

This will be submitted as evidence in legal and regulatory proceedings. I reserve all rights and remedies available to me under Canadian law and international legal frameworks. And I have lawful excuse to any rulings as they where made through deliberate detected and weaponization of the justice system.

Sincerely,

Ryan James Johnson. Human Being with Full Legal Capacity.
